PUBLIC NOTICE

Date: November 7, 2005
Re: Publication of Court Opinions

For the last four years the United States District Court for the Northern District of New York has participated in CourtWeb and CourtWatch. The CourtWeb website provided information to the Bar and Public on selected Published Rulings from the Court.

The Court will no longer post opinions to the CourtWeb website. The Federal Judiciary's Web PACER system (Public Access to Court Electronic Records) site makes opinions that have been designated for publication by the Court available to Bar and Public without charge. Members of the bar and public will still need to establish a Web PACER account - information on obtaining a Web PACER account can be found on the Northern District webpage at:
