**MEMORANDUM**

**TO:** Prospective Data Wiring Contractors

**FROM:** Sunday Heuser, Contracting Officer/Procurement Admin.

**DATE:** June 4, 2013

**SUBJECT:** Wage Determination Response #4 for 11<sup>th</sup> floor Data Wiring Project - USDC-#5-17-2013

**Proposed Question:** Could you please provide the classification/job class and rate schedule for this project.

**Answer:**

After review and research, the closest wage determination to be used is under 23930 Telecommunications Mechanic I for the line pulls (according to their occupation descriptions), however, under the SCA listing for Onondaga County, the US DOL occupation descriptions aren't aligning with the wage determination.

I am attaching the wage determination for your records and please use the #23932 Teleco Mechanic II occupation at \$26.86 per hour as your labor rate for this project.
