

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF NEW YORK

**Important Notice regarding Third-Party Services  
and Access to Case Information and Documents in  
NextGen CM/ECF**

**CM/ECF filers should be aware of the potential to inadvertently share restricted documents when using third-party services or software.**

Attorneys are discouraged from listing third-party service providers (such as PACER Pro, DocketBird, CourtDrive, RECAP, etc.) as their secondary notification recipients.

Sharing your PACER account credentials with a third-party service provider, or designating that provider as a secondary recipient of a Notice of Electronic Filing (NEF), will give it access to sealed case information and documents in violation of court order. You are urged to use caution in your computer security practices to ensure that sealed documents to which you have access are not disclosed. Fee exempt users should not share the documents they obtain from PACER under the exemption, unless expressly authorized by the court.
