See also [L.R. 26.2](#) (discovery material).

(b) In civil actions where the Court has directed a party to submit an order or judgment, that party shall file all such orders or judgments in CM/ECF.

If the assigned judge instructs the prevailing party to do so, the prevailing party shall submit a proposed order which the opposing party has approved, and which contains the endorsement of the opposing party: "Approved as to form."

When the parties are unable to agree as to the form of the proposed order, the prevailing party shall, on seven (7) days' notice to all other parties, submit a proposed order and a written explanation for the form of that order. The Court may award costs and attorney's fees against a party whose unreasonable conduct the Court deem to have required the bringing of the motion. The provisions of [L.R. 7.1](#) shall not apply to such motion, and the Court shall not hear oral argument.

(c) No paper on file in the Clerk's office shall be removed except pursuant to the Court's order.

(d) A private process server shall serve every summons, except as otherwise required by statute or rule or as the Court directs for good cause shown. (e) In the case of a prisoner's civil rights action, or any action where a party has been granted leave to proceed in forma pauperis, the Marshal shall serve the summons and complaint by regular mail pursuant to [Fed. (f) Where there has been a removal of a New York State action that has been commenced pursuant to [N.Y. C.P.L.R. 305\(b\)](#) (summons with notice), the defendant shall file a demand for a complaint within fourteen (14) days of filing the notice of removal, unless the

Pro se litigants who opt in shall be referred to as Electronic Recipients (“e-Recipient”).

The filing of documents on CM/ECF shall constitute service on all Electronic Case Filers (“ECF filers”) and any pro se litigants who have opted in and consented to receive service via NEF. The electronic transmission of the NEF is sufficient proof of service on all individuals listed as recipients on the electronic notice. This includes all documents submitted for filing on CM/ECF by a pro se litigant. No additional service by mail or certificate of service is required for these recipients.

However, any documents filed under seal or submitted for *in camera* inspection which require service by alternative methods must be accompanied by a certificate of service.

## Proposed Changes to Civil Local Rule 7.1(a)

### Current Text:

#### 7.1 Motion Practice (amended January 1, 2024)

(a) **Briefing Schedule.** Motions are decided without oral argument unless scheduled by the Court. Parties may make a written request for oral argument, which is subject to the discretion of the presiding judge. In any such requests for oral argument, the parties should specify the ground(s) for the request (e.g., the need of an inexperienced lawyer to gain experience in the courtroom, the need to respond to arguments presented in the last-filed brief, the need to advise the Court of recently occurring events or arguments regarding new controlling or persuasive case law, and/or the need to help familiarize the Court with the case's complex facts and/or procedural history given the length of time that has passed since the Court last reviewed the case or the fact that the case has recently been transferred from another judge, etc.). In accordance with [Local Rule 7.1\(b\)\(5\)](#), a movant requesting oral argument must state the grounds therefore in its Notice of Motion.

1. **Dispositive Motions.** Unless the Court orders otherwise, the moving party must file all motion papers with the Court and serve them upon any *pro se* parties. Unless otherwise ordered by the Court, the opposing party must file and serve its opposition papers no more than **TWENTY-ONE (21) DAYS** after service of the motion. The moving party must file and serve its reply papers, if any, including a memorandum of law that may not exceed (10) pages in length, no more than **SEVEN (7) DAYS** after service of the response papers. A surreply is not permitted.
2. **Non-Dispositive Motions.** Prior to making any non-dispositive motion before the assigned Magistrate Judge, the parties must make **good faith efforts among themselves to resolve or reduce all differences relating to the non-dispositive issue**. If, after conferring, the parties are unable to arrive at a mutually satisfactory resolution, the party seeking relief must then request a court conference with the assigned Magistrate Judge.

**A court conference is a prerequisite to filing a non-dispositive motion before the assigned Magistrate Judge.** In the Notice of Motion, the moving party is required to set forth the date that the court conference with the Magistrate Judge was held regarding the issues being presented in the motion. Failure to include this information in the Notice of Motion may result in the Court rejecting the motion papers. For discovery motions, see [L.R. 37.1](#).

Actions which involve an incarcerated, *pro se* party are not subject to the requirement that a court conference be held prior to filing a non-dispositive motion.

Unless the Court orders otherwise, the moving party must (upon filing all motion papers with the Court) serve its motion papers on any *pro se* parties.

The opposing party must file and serve its opposition papers no more than **TWENTY-ONE (21) DAYS** after service of the motion, unless otherwise ordered by the Court.

**Reply papers and adjournments are not permitted without the Court's prior permission. Permission to file a reply does not exist simply because CM/ECF generates a deadline for a reply on a non-dispositive motion. When leave of court is granted, reply briefs may not exceed 10 pages in length.**

- 3. Failure To Timely File or Comply.** The Court shall not consider any papers required under this Rule that are not timely filed or are otherwise not in compliance with this Rule unless good cause is shown. Where a properly filed motion is unopposed and the Court determines that the moving party has met its burden to demonstrate entitlement to the relief requested therein, the non-moving party's failure to file or serve any papers as this Rule requires shall be deemed as consent to the granting or denial of the motion, as the case may be, unless good cause is shown.

Any party who does not intend to oppose a motion, or a movant who does not intend to pursue a motion, shall promptly notify the Court and the other parties of such intention. They should provide such notice at the earliest practicable date, but in any event no more than **TWENTY-ONE DAYS** after service of the motion.

Parties shall file all original motion papers, including memoranda of law and supporting affidavits, if any, in accordance with the *Administrative Procedures for Electronic Case Filing* ([General Order #22](#)) and/or the case assignment form provided to the parties at the commencement of the litigation. The parties need not provide a courtesy copy of their motion papers to the assigned judge unless the assigned judge requests a copy.

1. **Memorandum of Law.** No party shall file or serve a memorandum of law that exceeds twenty-five (25) pages in length, double-spaced, unless that party obtains leave of the judge hearing the motion prior to filing. If publicly filed, the Notice of Motion shall be the main document filed on ECF, with the supporting documents filed as attachments.
